TERMINAL DISCLAIMER UNDER 37 C.F.R. §1.321

Dear Sir:

I, Marisa J. Zink, represent that I am an attorney of record for U.S. Patent Application Serial No. 10/693,735, filed October 24, 2003, and entitled, "SYSTEM AND METHOD FOR PREFERENCE APPLICATION INSTALLATION AND EXECUTION." The owner, Microsoft Corporation, of 100 percent interest in the instant application hereby disclaims the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term prior Patent Number 7,209,916, as such term is defined in 35 U.S.C. §154 and §173, and as the term of said prior patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim any terminal part of the term of

any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 and §173 of U.S. of the prior Patent Number 7,209,916, as the term of said prior patent is presently shortened by any terminal disclaimer in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims cancelled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by a terminal disclaimer, except for the separation of legal title stated above.

A credit card payment form is filed concurrently herewith in connection with all fees (\$140.00) due associated with this Terminal Disclaimer. In the event any additional fees may be due and/or are not covered by the credit card, the Commissioner is authorized to charge such fees to Deposit Account No. 50-1063 [MSFTP545US].

Respectfully submitted,
